

Dr. Frank S. Greene Scholars Program

A K-12 Science, Technology, Engineering and Math Initiative
Sponsored by the CALIFORNIA ALLIANCE OF AFRICAN AMERICAN EDUCATORS

Our mission is to help youth of African ancestry in Santa Clara County successfully complete higher education in science, technology, engineering and/or math (STEM), and serve as positive role models and contributors to their communities.

✧ Purpose

As a long-term K-12 youth development program, we foster a community of college-bound Scholars focused on developing their academic gifts in science and math. Since 2001, our primary goal has been to increase the success rate of students in STEM course work and to increase the number choosing STEM career paths. The program is designed to strengthen the Scholar's leadership and problem solving skills, build self-esteem, and stimulate intellectual curiosity. Most importantly, the program hopes to provide Scholars with the motivation to persevere and continue their exploration of STEM fields through high school, college and into their professional lives. This will prepare students to compete in a global economy and to enter a knowledge-based technical workforce.

✧ Program Features

We nurture our Scholars from entrance into the program through high school graduation. We provide character education and leadership training. We deliver engaging hands-on math, science and technology experiences and workshops in addition to our annual science fair and engineering competitions. Finally, we offer college and standardized tests preparation, core subject tutoring, field trips, and computer literacy workshops.

✧ Results

100% of the Scholars who have successfully completed the program are pursuing BS/BA degrees at colleges and universities throughout the United States including University of California at Berkeley, Davis, Irvine, San Diego and Santa Cruz, University of Southern California, Pomona College, Harvey Mudd College, Morehouse College, Howard University, Santa Clara University and San Jose State University. We now have 39 alumni: 20 college graduates and 19 currently in college.

✧ Parental Involvement

Parents play an integral part and commit to volunteer service. Scholars and parents meet separately once a month. Scholars network and collaborate on projects, while their parents receive best practices and strategies for engaging and motivating their children.

✧ Sponsorships

We are currently seeking corporate and individual sponsorships at all levels. In addition to sponsorships we rely on family contributions and in-kind contributions to support our programs. CAAAE is an IRS 501(c)(3) public charity. Federal Tax ID Number: 94-3413477.

✧ Contact Information

For more info about our programming, contact our Program Director Gloria Whitaker-Daniels at (408) 425-3425 or visit our website at www.greenscholars.org

The GSP promotes youth development in science, technology, engineering and math. Our key program components include STEM Enrichment, Character/Leadership Training, Academic Planning, College and Career Preparation, and Parent Education.

SPONSORSHIP OPPORTUNITIES

Dr. Charles R. Drew Sponsor **\$1,000**

- ✧ Sponsors a graduating senior college scholarship or pays for 4 summer science camp scholarships
- ✧ GSP website sponsorship highlight
- ✧ Acknowledgement in Gala program and during event
- ✧ Two complementary tickets to Science Fair Gala
- ✧ Acknowledgement in quarterly newsletter

Dr. Ron E. McNair Sponsor **\$500**

- ✧ Pays for private tutor for one semester for one student or supports 4-week summer internship of one Scholar
- ✧ GSP website sponsorship highlight
- ✧ GSP promotional item
- ✧ Acknowledgement in quarterly newsletter

Garrett A. Morgan Sponsor **\$250**

- ✧ Pays for two science/engineering workshops for 20 Scholars or purchases character education workbooks for 25 Scholars
- ✧ GSP promotional item
- ✧ Acknowledgement in quarterly newsletter

Otis F. Boykin Sponsor **\$100**

- ✧ Sponsors Grand Prize Science Fair winner or pays application fee for five Scholars to participate in regional science fair
- ✧ Acknowledgement in quarterly newsletter

Dr. Patricia E. Bath Sponsor **\$50**

- ✧ Subsidizes Scholars' year end science field trips or purchases test materials for Scholars science fair projects

Thank you for helping students prepare for 21st century opportunities.

SPONSORSHIP OPPORTUNITIES

Dr. Frank S. Greene Sponsor \$10,000+

- ✧ Major Sponsor of Annual GSP Science Fair or Summer Science Institutes
- ✧ GSP-TV and GSP website sponsorship highlight
- ✧ Logo banner displayed during major events
- ✧ Table for 10 guests at Annual Science Fair Gala
- ✧ Full page ad in Gala program and acknowledgement during event
- ✧ Sponsor's brochure and/or promotional items at GSP events
- ✧ GSP volunteers 50 hours for sponsor's signature events
- ✧ Acknowledgement in quarterly newsletter

Dr. Benjamin S. Carson Sponsor \$5,000

- ✧ Major Sponsor of Annual Career Fair or Seniors College Prep Academy
- ✧ GSP-TV and GSP website sponsorship highlight
- ✧ Logo banner displayed during major events
- ✧ Table for 10 guests at Annual Science Fair Gala
- ✧ Full page ad in Gala program and acknowledgement during event
- ✧ Acknowledgement in quarterly newsletter

Dr. Mae C. Jemison Sponsor \$2,500

- ✧ Major Sponsor of Character/Leadership Training workshops or Math Academy or production of 2 episodes of GSP-TV
- ✧ GSP-TV and GSP website sponsorship highlight
- ✧ Five complementary tickets to Science Fair Gala
- ✧ Full page ad in Gala program and acknowledgement during event
- ✧ Acknowledgement in quarterly newsletter

George Washington Carver Sponsor \$1,000

- ✧ Sponsors a graduating senior academic scholarship or pays for 4 summer science camp scholarships
- ✧ GSP website sponsorship highlight
- ✧ Two complementary tickets to Science Fair Gala
- ✧ Full page ad in Gala program and acknowledgement during event
- ✧ Acknowledgement in quarterly newsletter
