

## 2017-18 GSP New Scholar Application

Thank you for your interest in the Dr. Frank S. Greene Scholars Program (GSP). Our mission is to help youth of African ancestry excel in science, technology, engineering and math; successfully complete higher education and serve as positive role models and contributors to their communities. The Greene Scholars Program is currently accepting applications from current 2nd through 8th grade students for the upcoming academic year. Students must be of African ancestry, have a minimum grade point average of 2.75 (or equivalent if letter grades are not given at the student's school), and must have demonstrated a strong aptitude in math and/or science.

To complete the 2017-18 GSP New Scholar Application, you will need to do the following:

- 1) Enter Primary Guardian Information and Secondary Guardian Information (if applicable).
- 2) Enter the requested information for each applicant as completely as possible.

The account you have created will allow you to save this form and return to it later if necessary. The deadline to complete and submit this form is **May 1, 2017**.

The Greene Scholars Program commits to your child through High School. This Program succeeds because of parent or guardian volunteering and family commitment to GSP. Parents/guardians must prioritize the Program to attend parent or organizational meetings, volunteer at least 4 hours per month, and ensure monthly scholar meeting attendance in San Jose. Active family participation is critical to the success of the Greene Scholars Program.

**Why is it important for your child(ren) to be selected for the Greene Scholars Program? \***

**Are you able to consistently meet the commitment of time and be an active participant in the Program? \***

Yes No

**Please explain why you believe that you can (or cannot) meet volunteer and/or attendance requirements.**

The Greene Scholars Program has participation fees. For 2017-18, there is a \$350 fee per enrolled family. In addition, each family must sell \$100 in ads for our Science Fair Gala souvenir book, and purchase tickets to attend the Gala. If your child is accepted into the program, you will need to provide a non-refundable \$100 deposit within 3 days of notification of acceptance.

**Can you make this financial commitment (note: financial aid may be available)? \***

Yes No

**For GSP to run smoothly, we send information regularly that requires parent action. What are the 2 best ways to communicate with you? \***

- Email                      - Text                      - Phone                      - Social media                      - Website                      - Snail mail

**Have you read the Expected Outcomes, Commitment from the GSP website? \***
